

WET&FORGET

Moss, Mould & Lichen Control

Sydney Weed & Pest Management Pty Ltd introduces its latest service – **MOSS, MOULD and LICHEN** control. In association with **WET&FORGET** we now offer this environmentally friendly and water efficient method of solving an age old problem. As part of this new service we have chosen to exclusively use **WET&FORGET** because we think it is the best product on the market.

WET&FORGET has a unique combination of biodegradable selective surfactants for moss removal mould removal and gunge removal on any exterior surface. When diluted with water and applied, it immediately attacks that unsightly moss, mould, gunge and grime. Each time it rains, this safe, cleansing combination reactivates to help flush the moss, mould, gunge and grime without scouring the surface it has infested.
